Description

Welcome to an exceptional coastal residence in the prestigious guard-gated community of The Estates at Seacliff Country Club, where timeless elegance, resort-inspired outdoor living, and an enviable Huntington Beach lifestyle come together beautifully. Positioned on a desirable corner lot, this extensively upgraded home offers over 3,200 square feet of refined living space with a flexible floor plan featuring up to five bedrooms, including versatile bonus and office spaces that can easily adapt to today's needs. From the moment you arrive, the home impresses with its phenomenal curb appeal, custom details, and inviting sense of sophistication. Inside, rich travertine flooring, plantation shutters, custom window coverings, recessed lighting, French doors, ceiling fans, and designer finishes create a warm yet elevated atmosphere throughout. The main level is thoughtfully designed for both everyday comfort and memorable entertaining, highlighted by a granite wet bar with side-by-side wine storage and a beautifully appointed gourmet kitchen. Granite countertops, a central island, bar seating, tumbled marble accents, a Sub-Zero refrigerator, Viking range, Thermador double oven, and Dacor coffee system make this kitchen as functional as it is impressive. The custom iron staircase adds architectural character, leading to private upper-level retreats and balconies that enhance the home's indoor-outdoor connection. The expansive primary suite is a true sanctuary, complete with travertine finishes, a romantic fireplace, and a separate sitting area ideal for quiet mornings or evening relaxation. The backyard is the showpiece — an entertainer's dream designed with the feel of a private resort. The award-winning saltwater pool and spa feature custom stonework, Pebble Tec finish, three dramatic waterfalls, a Baja step, and a tiered stone spa that spills gracefully into the pool. A custom BBQ island with stainless refrigerator, beer cooler, stereo system, and tropical palapa cover creates the perfect setting for coastal gatherings, weekend lounging, and year-round Southern California entertaining. All of this is located just moments from the beach, Seacliff Country Club, parks, dining, shopping, and the highly regarded Seacliff Elementary School area. Beautifully upgraded inside and out, this residence captures the best of luxury coastal living in one of Huntington Beach's most sought-after gated communities.
