Description

Welcome to Tam o'Shanter, an inviting community featuring a professional golf course (green fees included), clubhouse with restaurant & pool, and a 15.5-acre park with tennis, pickleball, basketball, & volleyball courts, plus a playground and open green spaces. Set back from the road for added privacy, this home offers exceptional indoor-outdoor living. A multi-level front deck with built-in seating and a stone paver courtyard create a warm, welcoming space for entertaining. The fully fenced backyard features an expansive, house-length deck with stairs to a level lawn & patio. Inside, an easy-flowing floor plan begins with a stone entry and opens to a living room with vaulted wood ceilings, fireplace, & deck access. The remodeled kitchen, designed by Linda Runyan, connects seamlessly to the dining room and showcases slab granite, rich cherry cabinetry, skylights, and an island with prep sink. High-end appliances include a newer LG ThinQ refrigerator, Wolf gas cooktop with pot-filler, and new Frigidaire double ovens with a stone-baked pizza feature. The primary suite offers a private retreat with deck access, peek-a-boo lake & mountain views, custom walk-in closet, and a luxurious limestone bath with heated floors, 2 vanities, and a jetted tub. The garden level includes a spacious family room, bonus room, wine room with chiller, and backyard access. Prime location just a block to the golf course & clubhouse and convenient to Lk Sammamish, wineries, major employers and SR 520.
