Description

Completely renovated and expanded in 2020, this thoughtfully designed Newton Center home blends modern living with timeless style. A welcoming entry opens to a front music/sitting room and flows through French doors to the heart of the home - a stunning kitchen with quartz countertops, center island, and dining area overlooking the family room with striking ceiling detail. A separate dining room offers flexibility for everyday living or entertaining. Privately set in its own wing, the oversized first-floor suite provides ideal space for guests, extended family, or au pair. Upstairs are 4 generously sized bedrooms, including the luxurious primary suite with walk-in closet and spa-like bath with soaking tub, double vanity, and oversized shower, plus second-floor laundry. Lower level with hangout space, gym, mudroom, half bath & garage access. equipped with solar panels and a whole-house generator, the home combines sustainability with seamless, uninterrupted comfort!
