Description

Nestled on a quiet, tree-lined block, this Storybook Tudor has been thoughtfully renovated to preserve its original character while integrating modern comfort. Great flow and natural light throughout. Charming window seats with built-in shelving flank a wood-burning fireplace (the focal point of the living room), and French doors off the living room open to a covered porch spanning the length of the house, with gorgeous NYC skyline views. The dining room offers generous space for entertaining and is framed by mature trees that give the property its signature treehouse quality. The renovated kitchen delivers ample cabinetry, counter space, and high-end appliances while an updated full bath on the main level adds everyday convenience. Hardwood floors and a fresh palette run throughout, letting the home's bones speak for themselves. Three bedrooms and a gracious landing upstairs provide space and privacy. Outside, a large patio offers another outdoor space--the perfect spot for barbecues or s'mores around the firepit. Extras include a built-in garage, paver driveway parking, an unfinished full basement primed for finishing, central AC, underground sprinklers and lush mature landscaping. The Jitney to South Orange's Midtown Direct Train stops right at the corner, with Highland and Orange Stations also nearby. Close to Hazel School and Seton Hall Prep. Just unpack and move in to enjoy the best of West Orange living!
