## Description

There are homes that simply offer shelter, and then there are homes that greet you at the door as if they've been waiting for you. At 3721 Carter Drive #1101, in the gentle rise of Callan Park in Westborough neighborhood, this feeling arrives almost at once, steady and unmistakably warm. Recently refreshed with fresh paint and flooring, the home carries the sense of a place renewed, like a chapter freshly turned. The open living and dining space unfolds with an easy, welcoming rhythm, the kind that invites you to set down your day and breathe a little deeper. A private balcony extends the moment, offering a small pocket of calm where morning light settles softly and evenings wind down without hurry. The kitchen, thoughtfully arranged and efficient in its design, stands ready for simple meals and late-night conversations alike. Two well proportioned bedrooms offer comfort and privacy, with the primary suite set apart, complete with its own bath, a small luxury that feels larger than it sounds. And with in unit laundry and two dedicated parking spaces, daily life moves with a rare kind of ease. Beyond the walls, the Carter Parc's neighborhood adds its own charm to the story. Just down the way, Westborough Square hums with familiar comforts including coffee shops, bakeries, markets, and the small conveniences that make a community feel whole. Parks and paths weave through the area, offering places to wander, reflect or simply enjoy the day. And for those who crave the sea, Highway 1 leads you straight to the Pacific, where the beaches of Pacifica wait with their windswept cliffs, rolling waves and sunsets that feel almost theatrical. With SSF's thriving biotech hub nearby and SFO within easy reach, Westborough neighborhood remains one of those rare neighborhoods where practicality and peace live side by side. This is more than a turn-key home, it's a place where the next chapter begins with ease, warmth and a sense of belonging. 3D Virtual Tour - <https://my.matterport.com/show/?m=K7N1sKByNjd> Walk Through Video (YouTube)- <https://youtu.be/ynFdKhhVYZE> Property Website - <https://zaypyaehomes.my.canva.site/3721-carter-dr-1101-south-san-francisco/>
