Description

Welcome to this "one family owned" fantastic walk out ranch on beautiful Hidden Spring Drive. This 4-bedroom, 3 full bath divided floorplan ranch checks all the boxes: Curb appeal, 3 car extended garage, main floor laundry, large rooms, open and bright, backs to trees, super convenient location. The kitchen has plenty of counter/cabinet space. Lower cabinetry features pull out shelving. Breakfast room has plenty of room for larger table for entertaining or family meals. There is also a separate dining room. Great room has vaulted ceilings and a gas fireplace. Primary bedroom is large, has vaulted ceilings, and a great view from the bay window. On the opposite side of the main level are two additional generously sized bedrooms and full bath. Down the bright open staircase, you enter the amazing lower level. Huge family/recreation room, 4'th legal bedroom, plenty of egress windows and a walk out to the patio. A full bathroom completes the finished area in lower level. Unfinished area is just as impressive! Tons of storage area with adjustable built in shelving, and an oversized 2'nd door for easy access to backyard. This home has great bones, amazing potential and is ready to become a "dream home" to another family. Francis Howell Schools, easy access to 364, 94, 40, shopping, beautiful Veteran's Tribute Park, Kisker Library; this home has so much to offer, don't miss this one!
