Description

Welcome to your waterfront dream home, loaded with thoughtful interior design features and Florida must-have upgrades! You'll fall in love with this amazing 2,443 SF waterfront home in the highly sought-after South Gulf Cove boating community, featuring 3 large bedrooms, 2 full bathrooms and office. A metal roof, Bahama shutters and automatic roll down shutters will give you convenience and peace of mind year-round. The kitchen is equipped with quartz countertops, double-stack cabinetry, a huge hidden pantry, and SS appliances. The open concept living area features a beautiful, coffered ceiling and zero-degree pocket sliders. The spacious owner's suite has direct lanai access and split walk-in closets. The master bath features a spa-like wet room design with a 3-head shower and freestanding tub enclosed behind sleek glass barn doors. Each of the large guest rooms has a walk-in closet. The full guest bath also acts as a convenient pool bath when entertaining. The laundry room is thoughtfully designed with a storage closet, utility sink, and additional cabinetry. The heated saltwater pool is surrounded by a generous paver lanai. There is a built-in outdoor kitchen and plenty of room for seating. Beyond the lanai is an irrigated and fully fenced St Augustine back yard that leads to the canal. There you will find a 30' dock, a 10K LB boat lift with canopy, newly wrapped pilings, an 80 ft. concrete seawall, and electric and water lines. The oversized three-car garage gives you plenty of space for vehicles, tools, toys, and storage. The garage also includes overhead storage, and the home is equipped with 50-amp power for generators. Beautifully maintained and full of sunny Florida charm, this move-in-ready home is also close to pristine beaches, world-class fishing, championship golf courses, wonderful restaurants, and great shopping. This beauty won't last long-call me today for a private showing!
