Description

Experience refined city living in this beautifully renovated Lake of the Isles residence, situated in the coveted Kenwood neighborhood on the desirable west side of the lake. Blending timeless architecture with modern conveniences, this home offers an exceptional main level designed for both elegant entertaining and everyday comfort. Formal living and dining rooms are complemented by a sun-filled sunroom, while the open-concept chef's kitchen-featuring a large center island, dual dishwashers, beverage refrigerator, and ice maker-flows seamlessly into the inviting family room with a gas fireplace. The space extends effortlessly to a private courtyard and a infloor-heated three-season porch for seamless indoor-outdoor living. A powder room and spacious mudroom complete the main level. Upstairs, four ensuite bedrooms include a luxurious primary suite with fireplace, spa-like bath, dual walk-in closets, lake views, and a convenient laundry room with two washers and dryers. The third level offers additional bedrooms and flexible living space, while the finished lower level features a family room, game room, wet bar, beautiful wine cellar, office, and ample storage. A rare three-car attached garage, fresh updates, and premier location near trails, parks, and dining complete this exceptional home.
