Description

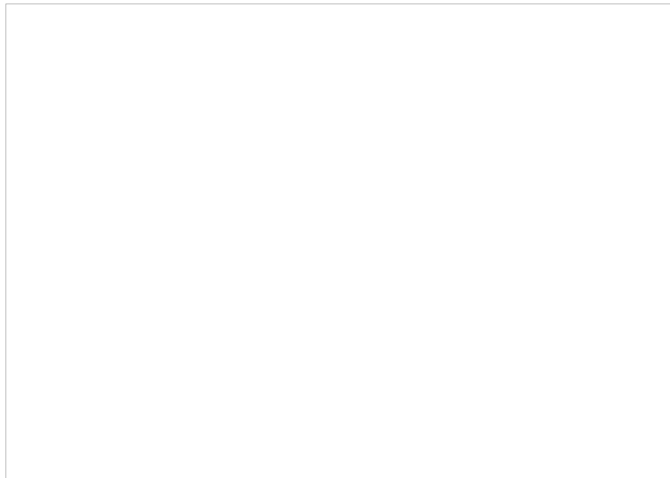

Completely remodeled and move-in ready, this unique and beautifully updated Springfield home offers 1,536 square feet of livable space along with extensive improvements throughout. Located at 2315 Beatrice Street, this property combines modern updates, functional living areas, and outdoor amenities rarely found at this price point. The main level features a bright and welcoming layout with a spacious living room, dining room, and an updated kitchen designed for both everyday living and entertaining. The kitchen includes brand new cabinetry, granite countertops, stainless steel appliances, and a center island offering additional prep and seating space. A separate family room provides additional flexible living space, while large windows throughout the home fill the interior with abundant natural light. Upstairs, you'll find three bedrooms and a fully remodeled bathroom with updated finishes and fixtures. An additional remodeled full bathroom in the basement adds convenience and flexibility. The home has been extensively updated with all new flooring, fresh interior paint, updated lighting, new HVAC system, brand new water heater, upgraded plumbing, and a new electric panel with updated main service line. The unfinished basement offers an additional 576 square feet and features brand new glass block windows, creating excellent storage or future finishing potential. Exterior improvements include freshly painted siding with natural wood accents, custom shutters, covered front porch, new deck stairs, and some newly poured concrete. Outdoor amenities continue with a detached 480-square-foot garage complete with electric service, plus an additional storage shed that houses the pool equipment. The backyard is highlighted by an in-ground swimming pool featuring a brand-new pump and filter system, creating an excellent outdoor area for seasonal enjoyment and entertaining.
