## Description

Under contract-accepting backup offers. This private Saddle Creek custom estate is more than a home. It's a place where design, nature, and lifestyle come together in a way that simply feels extraordinary. Set behind a long private drive and surrounded by over 5.5 acres of peaceful countryside, the property offers a rare blend of refined design, modern comfort, and wide-open Florida living. From the moment you arrive, the home's striking architecture sets the tone: crisp white exterior, warm wood accents, and a welcoming front porch framed by lush landscaping. Inside, the home unfolds with light-filled spaces and soaring ceilings, where oversized windows frame endless views of the surrounding landscape. Rich wood flooring, detailed millwork, and thoughtfully curated finishes create an atmosphere that feels both elegant and inviting. The great room is truly breathtaking with dramatic two-story ceilings, expansive picture windows, and a beautiful fireplace that anchors the space while natural light pours in from every angle. The open-concept design flows effortlessly into the chef's kitchen, where custom cabinetry, stone countertops, high-end appliances including a built-in Miele coffee machine, and a large center island create a space equally suited for everyday living and entertaining. A stunning butler's pantry and custom wine bar elevate the experience even further, offering beautiful storage and the perfect setting for hosting gatherings with family and friends. The primary suite is a peaceful retreat, complete with generous proportions, soft natural light, and a spa-inspired bathroom designed for relaxation. With five additional bedrooms and ample bathrooms, there is plenty of space for family, guests, or flexible use such as a home office or fitness room. The expansive covered lanai features a beautifully finished ceiling with exposed wood beams, ceiling fans, and multiple seating areas. The sparkling pool is surrounded by elegant stone decking and ample space for lounging under the Florida sun. A custom outdoor pizza oven and grilling area create the ultimate setting for al fresco dining. Beyond the patio, the property opens to a vast, park-like lawn, offering exceptional privacy and a serene natural backdrop. With this much space, there is room to create your own private retreat, whether that includes recreational amenities, a garden, a fire pit, or space for horses and other animals. Despite its quiet setting, this property is conveniently located just 10 to 15 minutes from shopping, dining, hospitals, and I-75, with the world-renowned Siesta Key Beach and Sarasota's newest shopping destinations only about 30 minutes away.
