Description

Nestled on a spacious, fully fenced double lot, this true two-story home offers exceptional privacy, mature shade trees, and incredible outdoor entertaining space with a spacious New York Bluestone paver patio. The beautifully renovated kitchen is designed for gathering, featuring Cambria countertops, floor-to-ceiling tile, a breakfast nook, bar seating, dining room, and newer 2023 appliances. Inviting finishes and thoughtful updates continue throughout the home, including a large living room, dedicated office, updated main-floor powder room, and new Pella windows. Upstairs, you'll find three generously sized bedrooms with truly expansive closet space. With an impressive energy efficiency score of 85 and located in the highly sought-after Waite Park neighborhood of Northeast Minneapolis, this home sits on a quiet tree-lined street just steps from parks, shops, and local favorites. Move right in and enjoy! A rare opportunity to own a forever home with space, charm, and endless possibilities in one of Northeast's most beloved neighborhoods.
