Description

Welcome to this stunning full brick 5-bedroom, 3-bath home offering incredible golf course and mountain views in one of Greenville's most sought-after communities. Situated on Hole #10 of Pebble Creek Golf Course, this property features sweeping views down the fairway to the green, along with breathtaking sunsets over Paris Mountain that can be enjoyed year-round. The main level features soaring ceilings, beautiful hardwood floors, and an amazing kitchen with plenty of space for entertaining. The spacious primary suite is filled with natural light and offers plenty of room to relax, while an additional bedroom and full bathroom on the main level provide the flexibility for guests or family. The kitchen opens directly into the all-season room, complete with its own HVAC system, creating the perfect year-round space to enjoy the stunning views overlooking Hole #10. Conveniently located just minutes from downtown Greenville and Travelers Rest, this spacious home combines luxury, comfort, and an unbeatable location. Oversized rooms throughout provide endless possibilities for entertaining, relaxing or working from home. Outside, the beautifully manicured lawn provides exceptional curb appeal and adds to the charm of this remarkable property. Located in an excellent school district and just minutes from shopping, dining, entertainment, and outdoor recreation, this home truly offers the best of Upstate living. Don't miss this rare opportunity to own a beautiful golf course home with mountain views in one of Greenville's most sought-after neighborhoods!
