## Description

Incredible views will amaze you each day from this 1500+ sq.ft. two story condo. Views from Castlerock to Burch Mtn., to the winter lights of Rocky Reach Dam! Walk out your door to the Jacobson Trailhead, WRAC clubhouse, tennis courts, & pool. Very convenient location only blocks to hospital, shopping, restaurants. Both floors have been fully updated with neutral colors, soft finishes, and exposed brick/stone accents. Living and dining room with huge floor to ceiling windows and stone fireplace opens onto new cedar deck. Big dining area easily seats 8. New neutral colored tile kitchen features all new top appliances including counter depth fridge, full double ovens, glass cooktop, "quiet" dishwasher, tons of cabinets, & full pantry. This is the only unit that features oversized sliders off the eating area in the kitchen to wonderful "secret garden" patio. Floor plan is open & spacious, perfect for entertaining/gatherings. All new marble & tile baths. Master with views, huge closet with shelving, & shiplap accent wall. Another bedroom with great views, built-in book shelves, & generous size closet. 3rd flex room has big closet and "cut out" to add future window, currently used as the "movie" room. Laundry room with new washer/dryer, storage shelves, and hobby area. New hot water tank. All new trim, paint, fixtures, lighting & dimmers, doorhandles, flooring, and more! 2 parking places and small storage closet in parking area. 2026 Summer WRAC pool membership offered at closing!
