Description

Custom rebuilt luxury home offering over 4,000 sq ft of modern living in a setting where homes of this scale are rarely available. This thoughtfully designed home blends contemporary style with everyday functionality. The open concept main level is anchored by a stunning great room and chef's kitchen featuring granite countertops, oversized island, stainless steel appliances, and built in dining table. A dramatic floating staircase creates a striking architectural focal point, while the spacious laundry room and custom coat room add convenience and storage. Upstairs, the luxurious primary suite offers a spa inspired bath and attached flex space ideal for a gym, office, or retreat. Secondary bedrooms are well designed with both en suite and Jack and Jill configurations. Outdoor living includes a covered patio, built in BBQ, and entertaining areas. No HOA and owned solar. Conveniently located near top rated San Ramon Valley schools, parks, City Center Bishop Ranch, shopping, dining, and commuter routes.
