Description

This move-in ready gem is packed with updates and priced to sell AS-IS. Featuring 3 bedrooms, 2 full bathrooms, plus a versatile bonus room that can easily function as a home office, guest room, playroom, or formal dining space depending on your needs. Major updates have already been handled for you, including a brand new roof, HVAC system, plumbing, fresh interior paint, and newly stained floors, giving peace of mind on the big-ticket items from day one. The layout offers a spacious separate laundry room that also serves as a generous entry/drop zone area, adding both function and flexibility to everyday living. Step outside to an enormous fully fenced backyard situated on a lot larger than a quarter acre, complete with a storage shed already connected to electricity. Whether you need workshop space, extra storage, or room to entertain, this backyard delivers. Tucked away on a quiet street in an established neighborhood filled with mature trees and blooming landscaping, this home offers charm, privacy, and value thats hard to find at this price point.Clean, fresh, and ready for its next owner. Dont miss this one.
