Description

Discover refined single-story living at 1019 Meadowview, a beautifully updated 4-bedroom, 2-bath home where modern design and effortless comfort come together. A welcoming front courtyard sets the tone. Inside, soaring ceilings and expansive natural light create an airy, upscale ambiance. Luxury vinyl plank flooring flows throughout, complementing the home's clean, contemporary aesthetic. The remodeled kitchen stands as a stylish focal point, featuring sleek Eurowhite cabinetry, quartz countertops, and a seamless connection to the main living areas. Both bathrooms have been thoughtfully refreshed, and major improvements-including a new roof and new AC system-provide long-term peace of mind. The backyard extends the luxury feel with a large covered patio, ideal for outdoor dining and year-round entertaining. The spacious lot offers ample room for a pool, giving buyers the opportunity to create their own resort-style retreat. Even better, the property comes with no HOA and no Mello-Roos, offering greater freedom and lower monthly costs. With its updated interior, single-level design, and turnkey presentation, this home offers style, convenience, and lasting value in a desirable Corona neighborhood located near the borders of Norco and Eastvale, close to shopping, dining, schools, and commuter access. A truly exceptional opportunity for buyers seeking space, versatility, and long-term value.
