Description

Much larger than it looks, this multi level home offers something for everyone with lots of outdoor spaces to play and relax. New paver sidewalk to front door and new porch with vinyl column and railing greet you as you enter the front door. No maintenance flooring on the first level and hardwood floors under carpet on the second bedroom level. The renovated kitchen with stainless appliances, new DW and granite counters is open to the dining area which opens to the outdoor Trex deck space complete with auto retractable awning. There is a second retractable awning for the patio space and hot tub area. A large picture window in the living room with the sliders in the dining area insures a light, bright atmosphere throughout the first floor. A family room, powder room and laundry on the ground level which also has a door to the outside patio and deck areas, The two car garage has been converted to a large playroom, great room, large office area or in home gym but can easily be restored to a garage. The finished basement room is ideal for in-home office, hobby room or recreation room + Storage galore..An additional basement level has great storage space for mechanicals and work projects. Located in the Convent Station area, this home enjoys easy access to all major roads, the Convent Sta. mid-town direct train line a great school system and is minutes to downtown Morristown with shopping restaurants and theaters galore.Xtras include sprinkler system, Nest thermostates,Shed
