The entry opens to a bright, freshly painted, open concept living area with updated LVP and large windows for great natural light. The kitchen and dining area feature modern appliances, ample cabinetry, and a large island. The dining space flows to a screened patio and vinyl fenced backyard, great for everyday living or gatherings. The owner's suite offers a walk in closet and spacious bath with double vanity, soaking tub, and separate shower. Three additional bedrooms are well-sized with easy access to two baths. A pre-inspection was completed in April 2026 with no major discrepancies.
