## **Description**

Fully updated and move-in ready, this spacious 6-bedroom home offers nearly 3,000 finished square feet of thoughtfully refreshed living space. The main level features a desirable primary bedroom, expansive living areas, and a beautifully updated kitchen with granite countertops and high-end appliances. Fresh paint and new flooring throughout create a clean, modern feel across all three finished levels. The functional layout provides flexibility with multiple living spaces, additional bedrooms upstairs and down, and a finished lower level complete with recreation space and wet bar. With generous square footage, updated finishes and a newer roof (2020 per public record), this home delivers both style and substance in a convenient Crystal location.
