Description

Experience the prestigious gated community of Viewpointe, where this stunning upstairs end-unit proves you don't have to sacrifice style for a sensible floor plan. Spanning just under 1,000 square feet of impeccably designed space, the home feels much larger thanks to dramatic vaulted ceilings that soar across the bedrooms and the light-filled living room. Whether you're cozying up by the fireplace or catching a breeze on your private outdoor balcony, the seamless flow into the open kitchen-complete with crisp white cabinetry and sleek stainless steel appliances-makes this the perfect hub for effortless entertaining. Both bathrooms have been completely remodeled with high-end designer touches, ensuring your morning routine feels like a five-star retreat. Modern conveniences abound with indoor laundry, a coveted one-car attached garage, and an additional assigned carport space along with ample guest parking. Beyond the front door, you are minutes away from top-tier education at schools like Canyon High and El Rancho Middle & Canyon Rim Elementary, with lightning-fast access to the 91 freeway, 241 toll road, and the premier shopping and dining at the Anaheim Hills Festival Center. When you aren't out exploring, enjoy the quiet privacy of your end-unit location or soak up the sun at the community pool, spa, and barbecue area. This is a turnkey opportunity to own a piece of paradise in a neighborhood that truly lives up to its name.
