Description

Welcome to this beautifully updated Colonial offering space, style, & modernized upgrades throughout. A newly paver walkway leads from the front door to an oversized driveway & three-car garage, setting the tone for what's inside. This home features a brand-new custom kitchen with stainless steel appliances, fresh paint throughout, gleaming hardwood floors (brand new HW in bedrooms), a new roof, new ADT security system, new furnace, and newly updated central air (both units new). A welcoming foyer greets you as you walk through the front door & leads into a spacious living room & versatile family room or study with a wood-burning fireplace & stunning custom built-in bookshelves complete w/ a rolling ladder. A powder room & formal dining area complete the main level. Upstairs features four generously sized bedrooms, including a primary suite w/ two walk-in closets & a private bath w/ a jetted tub, stall shower, double vanity, and linen closet. An additional full bath w/ updated vanity serves the remaining bedrooms. Enjoy outdoor living on the new Trex deck overlooking a large, private backyard w/ endless possibilities. The full, partially fin. basement offers excellent potential for future living space. Set in a highly sought-after neighborhood, this home offers peace, privacy, & natural surroundings while remaining conveniently located near top-rated schools, shopping, dining, major highways & NYC transportation.
