Description

Welcome to elevated Colorado living in the amazing Wildgrass community, where luxury, comfort, and lifestyle come together in one unforgettable home. Perfectly positioned on a corner lot backing to and also facing open space with mountain views, this stunning 6-bedroom, 5-bath two-story offers exceptional design, refined finishes, and incredible spaces for entertaining. Step inside to an expansive open-concept layout filled with natural light from a 2 story wall of oversized windows and glass patio doors that seamlessly blend indoor and outdoor living. At the center of the home is a beautifully appointed chef's kitchen featuring an oversized island, granite countertops, designer lighting. The inviting living room is anchored by a gas fireplace with rustic-inspired mantel and flows effortlessly into the dining and outdoor living spaces. The covered back deck with sprawling custom patio incorporating built in flower beds and a gorgeous fire pit are one of the designs you will love of this home. Upstairs, retreat to the luxurious primary suite complete with a spa-inspired bath, dual shower heads, and an expansive walk-in closet. Two auxiliary bedrooms and a 2nd primary suite with its own luxury bath complete the layout. The finished basement takes this home to the next level with a massive recreation space, gym, stylish bar area, and a dedicated wine and beer cellar built for entertaining enthusiasts. Additional bedroom and flexible living spaces make the lower level ideal for guests, multigenerational living, or game-day gatherings. Outside, mature landscaping provides privacy while the expanded patio creates the perfect setting for relaxing or entertaining under Colorado skies. Cut your power bills drastically with the solar panel 13kW system fully owned and transferable to the next buyer! Sophisticated yet inviting, this is more than a home-it's a lifestyle.
