Description

2 Homes remaining - 5-Bedroom luxury residence in Hazel Oaks, Upper Constantia. Introducing the final opportunity to secure one of only two homes left within the exclusive Hazel Oaks Estate, a boutique collection of just six architect-designed luxury residences nestled in one of Upper Constantia's most sought-after cul-de-sac addresses. Set on an expansive $\pm 1,200\text{m}^2$ stand with breathtaking north-west facing mountain views, Residence 2 offers an exceptional combination of privacy, security, timeless architecture and modern luxury. Scheduled for completion in December 2027, early purchasers still have the rare advantage of influencing selected design elements and finishes, creating a bespoke home tailored to their lifestyle. Surrounded by mature cork oaks and established greenery, Hazel Oaks blends refined estate living with a tranquil, nature-connected setting. Positioned directly alongside the Klaasenbosch Trail and Constantia greenbelt, residents will enjoy immediate access to some of Cape Town's finest outdoor lifestyle amenities, while remaining moments from Constantia's renowned wine estates, boutique shopping destinations and leading schools. Designed in a contemporary Cape Vernacular style, the residence showcases crisp white gables, natural timber finishes, soaring exposed trusses and generous open-plan interiors filled with natural light. Double-volume living spaces flow seamlessly onto covered entertainment patios with built-in braais, landscaped gardens and a private swimming pool, creating the perfect environment for sophisticated indoor-outdoor living. The thoughtfully designed floorplan offers five spacious bedrooms, including a luxurious master suite and a private guest suite, together with four bathrooms and a guest cloakroom. The flexible layout also allows for the seamless incorporation of a home office, study or staff accommodation. At the heart of the home, the designer kitchen features premium cabinetry, quartz countertops and a full separate scullery, while a free-standing fireplace adds warmth and character to the living areas. Additional premium features include Oggie timber flooring, solar panels with inverter system, double garaging and state-of-the-art estate security with gatehouse access, CCTV monitoring and off-site surveillance. Hazel Oaks represents a rare opportunity to secure a brand-new luxury home in Constantia Upper's tightly held embassy belt, where exclusivity, tranquillity and long-term value converge. Serious buyers are encouraged to act quickly. Opportunities of this calibre, in this location, are seldom brought to market.
