Description

Welcome to 67 Wituwamat Rd, one of North Weymouth's most unparalleled locations! Catch water views from your front yard and the Boston skyline right at the end of the street, with O'Sullivan Park just the other way. You're also a short walk to Wessagusset Yacht Club and Lane Beach - coastal living at its finest. This lovingly cared-for 5 bed, 2.5 bath Cape has been cherished by one family since 1987 and is ready for its next chapter. The layout shines with a spacious hardwood living room, granite kitchen opening to a back deck, dining room flowing into an oversized sunroom, and a private rear wing with 2 beds and a full bath. Upstairs offers 3 more bedrooms, while the lower level (complete with bar, stove, and half bath) is full of potential. Attached garage with workshop/mudroom rounds it out. With gardens ready to bloom, many updated systems, and cosmetic updates already planned, this is a rare chance to add value in a location that will reward you for years to come.
