Description

Well-maintained home located in Fort Mill offering 4 bedrooms, 3 full baths, and 1 half bath with a functional and versatile layout. The primary bedroom is conveniently located on the main level, providing ease of access and added privacy. The home features an open living area with ample natural light, along with a well-appointed kitchen and dining space suitable for everyday living and entertaining. Upstairs includes additional bedrooms and flexible space to accommodate a variety of needs. Additional upgrades include a whole-house water purification system, enhancing water quality throughout the home for added comfort and convenience. Exterior highlights include a rear-load garage, enhancing curb appeal from the front of the home, along with street parking availability for guests. The property is situated in a convenient location with close proximity to shopping, dining, and everyday amenities.
