Description

Welcome to this stunning luxury home, a custom-built Mountainview residence set on 1.63 private acres. A grand entry foyer with a turned staircase sets the tone for the elegance found throughout. The main level features a bright formal living room, an elegant formal dining room, and a convenient butler's pantry. The spacious, newly renovated kitchen boasts upgraded custom cabinetry, stone countertops, Custom fan over gas stove, Stainless steel appliances including refrigerator, dishwasher, microwave oven, built in wine cooler, a pantry, and a sunny breakfast room. Step out onto the deck overlooking the beautiful backyard. Family room offers hardwood floors, a striking brick fireplace, vaulted ceilings, and two skylights that fill the space with natural light, along with direct access to the deck. A powder room, a versatile first bedroom with closet, a laundry room complete the main level. Upstairs, you'll find four generously sized bedrooms, recessed lighting. The luxurious primary suite is a true retreat, offering a spacious sitting area, an enormous walk-in closet, and a private bath with heated tile floors, dual sinks, a vanity, and a jetted corner tub perfect for relaxing. Additional highlights include a central vacuum system, built-in speaker system, a three-car attached garage with interior access, and a full basement that has some partially finished walls. The expansive backyard w a custom deck and charming gazebo.
