Description

Perched atop one of Bay Park's most coveted streets, this exceptional property captures sweeping, unobstructed bay views that truly set it apart. On the market for the first time in over 60 years, this meticulously maintained 4-bedroom, 2-bath residence blends enduring character with immediate livability. Spanning 1,963 square feet on an expansive 7,400 sq ft lot, the home presents outstanding potential—whether you choose to expand, add an ADU, or simply enjoy the generous outdoor space. Natural light pours throughout the interior, enhancing the home's warm, classic design. A spacious two-car garage with built-in storage adds everyday convenience, while mature landscaping creates a sense of privacy and tranquility. The backyard is a standout feature, offering ample space for entertaining or relaxation, complete with established orange, lemon, and kumquat trees. Ideally located just minutes from Mission Bay, local schools, shopping, dining, and San Diego's coastal amenities, this home delivers both lifestyle and location. Opportunities like this, featuring panoramic views on premier streets are rarely available.
