Description

Beautifully updated 5-bedroom, 4-bathroom home set on a flat, over 1/3-acre lot in prime Mendota Heights. Offering an ideal main-level layout with great natural light, this home features large triple-pane windows, comfortable living spaces, and a sunroom overlooking the backyard and private pool area. This is a well-maintained and very solid home with extensive updates throughout. Recent improvements include new upstairs carpet (2026), updated bathroom vanities, countertops, and faucets in the primary and lower-level bathrooms (2026), a new driveway (2025), and a new roof (2024). Additional updates include luxury vinyl flooring in the family and living rooms (2024), maintenance-free fencing (2022), garage doors and openers (2019), and a remodeled kitchen with updated appliances. The backyard has been consistently cared for with key pool system updates completed within the last five years, including a new liner, furnace, sand filter, pump, and winter safety cover. Exterior features include Hardie cement board siding, gutters, aluminum eaves, updated landscaping, and a spacious deck for everyday use and entertaining. Additional highlights include a high-efficiency furnace, updated washer and dryer, egress basement window, and fresh interior paint throughout various areas over time. A great opportunity to own a solid, move-in ready home in one of Mendota Heights' most desirable neighborhoods.
