Description

Welcome home to this spacious and beautifully cared-for 6-bedroom, 4-bath two-story, offering more than 3,900 sq ft of room to live, grow, and gather. From the moment you arrive, the curb appeal and thoughtful updates set the tone-roof & siding (2018), furnace & A/C (2020), water heaters, and gorgeous backyard landscaping. Inside, the main level flows effortlessly with multiple living spaces: beautiful hardwood floors, a cozy family room with a gas fireplace, a bright sitting room, a formal living room, and an informal dining area perfect for everyday meals, & breakfast bar for a quick snack. The brand-new kitchen features stainless steel appliances and granite countertops, making it the heart of the home. Step into the newly added 3-season porch to enjoy morning coffee or evening conversations. Upstairs, four comfortable bedrooms include a relaxing primary suite with a walk-in closet, jacuzzi tub, and separate shower. The lower level adds even more flexibility with a family room, exercise or play area, two additional bedrooms, and a bath. Ample storage in the lower level and laundry. Close to highways & Lebanon Hills Regional Park with trails, camping, & beach! This home offers space, comfort, and updates in all the right places-ready to welcome its next chapter.
