Description

Stunning elegance on 2.76 Acres with 190 feet of coveted shoreline on Rogers Lake! Spectacular views overlooking the lake and the in-ground heated pool & hot tub with southern exposure. Surrounded by mature trees and pristine landscape, the property delivers breathtaking water views and a true sense of escape. A grand entryway welcomes you into expansive, light-filled interiors with marble, travertine and walnut flooring, granite counters and vaulted-beamed ceilings. Exquisite detail & craftsmanship in this architectural gem with all stone exterior. Open-concept design seamlessly connects elegant living and dining areas with spectacular gourmet kitchen offering maple cabinets, high end Viking & Miele stainless appliances including built in Miele espresso and cappuccino maker. This home is an entertaining dream with multiple living spaces and massive patio doors that open to multi-level deck and patio. Luxurious main level primary suite serves as a private retreat and overlooks pool & lake with private access to deck. Enjoy the custom primary walk in closet & bath with separate tub/shower, dual sinks and heated floor. Lower level offers a family room currently used as a billiard room with bar area, bedroom, bath and plenty of storage. Six garage parking spaces with three attached to the home and three in the additional garage on the property. This additional garage is great for storing boats, outdoor furniture, pool equipment and more. Recent updates include new roof 2024, two new central air units 2025 and new water heater 2022. Enjoy the best of both worlds of water entertainment with a heated in ground pool and lakeshore on 2.76 Acres. This resort-style home awaits. With premium finishes, thoughtful design, and an unparalleled setting, this exceptional estate offers a rare opportunity to experience lakefront living at its finest.
