Description

Welcome to this beautifully remodeled 5-bedroom, 4-bath home in the heart of St. Anthony! Extensively updated and expanded with a stunning \$350,000 addition completed in 2022, this home offers the perfect blend of modern comfort, functionality, and entertaining space. The addition features a spacious main-level primary suite, convenient laundry room, inviting family room, and stylish half bath, all flowing seamlessly to a huge maintenance-free deck overlooking the semi-submerged heated swimming pool. Making this your own private backyard retreat. The lower level was thoughtfully finished to include two additional bedrooms and a 3/4 bath, while still offering ample storage space. Nearly every inch of this home has been updated with new appliances, new mechanicals, and quality finishes throughout, making this truly as turnkey as it gets. Additional highlights include a heated two-car garage, sprinkler system, and exceptional indoor and outdoor living spaces designed for everyday living and entertaining alike. Don't miss your opportunity to own this incredible St. Anthony home. Book your showing today!
