Description

Well-maintained 1970 split-level offering a great blend of retro charm and thoughtful updates. Original kitchen with a fun vintage feel, paired with newer stainless steel appliances and updated lighting throughout. Fresh finishes include all new carpet on the upper level and new vinyl flooring in the lower level. The lower level is fully finished with a gas fireplace and a nicely updated laundry space featuring new washer and dryer & built in shelving. Major mechanical peace of mind with a roof just 5 years old. Step outside to a standout 90x134 fully fenced lot-beautifully landscaped with a fire pit area, storage shed, and a composite deck off the dining area, perfect for everyday living and entertaining. Tuck-under 2-car garage, concrete driveway, and a convenient location close to parks, trails, restaurants, shopping, and quick access to I-94.
