Description

Sitting atop a hill on a quiet cul-de-sac street this well designed 4,000 sq ft custom built home offers an exceptional location, space, and comfort in an established neighborhood, perfect opportunity for multi-generational living. A welcoming front patio sets the tone, leading into a sun filled home- perfect for both everyday living and large scale entertaining. With a large living room, spacious kitchen, three family rooms, two large decks, and a lower level walkout, there's room for everyone to spread out and enjoy. At the heart of the home is a sunken family room located just off the kitchen with a dramatic floor to ceiling brick fireplace, creating a warm focal point for gatherings. The layout includes four bedrooms, with three on one level, plus a huge combo mud/main level laundry room for added ease and storage. The primary suite is a true retreat, featuring heated floors, a separate tub and shower, and a walk in closet with a window that fills the space with natural light. Outside, the home continues to impress with a beautiful yard, a 3 1/2 car garage, hardy board siding, and a full sprinkler system for easy maintenance. Surrounded by mature trees and just minutes from restaurants, parks, and shopping, this home is ready to welcome its next owner.
