Description

This charming two-story home blends timeless character with thoughtful modern updates throughout. Inside, you'll find spacious living and dining areas, stunning stained-glass details, built-in shelving, oversized windows that flood the home with natural light, and beautifully refinished original hardwood floors that add warmth and elegance. The updated kitchen is designed to impress with new stainless-steel appliances, custom cabinetry, and stylish countertops perfect for everyday living or entertaining. Upstairs offers three comfortable bedrooms, including a flexible space ideal for a home office, nursery, or guest room. The renovated bathroom features a new shower/tub combo, updated vanity, and modern fixtures. Relax and unwind in the inviting front and back three-season porches - perfect for morning coffee, game nights, or quiet evenings after a long day. Pet owners will appreciate the oversized dog door leading to the fully fenced backyard, giving your furry companion plenty of room to run and play. Improvements provide peace of mind, including updates to the furnace, central air, plumbing, sump pump, drain tile, and electrical systems. Located in a vibrant neighborhood near schools, parks, shopping, cafes, and dining, this home also offers quick access to downtown Saint Paul and major highways. Combining original charm with modern comfort, this is a home you won't want to miss. Schedule your private showing today!
