Description

This beautifully cared-for, spacious 3-bedroom, 3-bath home offers over 2,200 square feet of comfortable living while preserving its timeless character. Classic craftsmanship shines throughout with stunning woodwork, built-ins, rich wood trim, and hardwood floors that add warmth and charm to every space. Large windows flood the home with natural light, and the cozy fireplace anchors the main living area-perfect for relaxing or entertaining. The kitchen blends function and style and features a convenient pantry for extra storage. Downstairs, the expansive basement offers endless possibilities-use it as a recreation or hangout space now, or finish it to create an additional bedroom, family room, or home office. Upstairs, you'll find what could be a private living area complete with its own kitchen, living room, and bedroom, offering incredible flexibility. This space is ideal for standard living quarters or a mother-in-law suite, an Airbnb, guest quarters, or a rental income opportunity. Outside, enjoy a good-sized yard perfect for entertaining, gardening, or unwinding, along with a garage, an additional parking space, and convenient alley access. This home seamlessly combines modern updates with classic details and versatile living options-a rare find with space, character, and opportunity all in one.
