Description

Some homes are built for living. Some simply feel like the place you were meant to plant your roots. Welcome to 2904 Poyner Drive in Phenix City, AL. This move in ready home offers over 1,800 square feet with 5 bedrooms and 2 full baths, giving you the flexibility and space to make it fit your lifestyle. Originally a 3 bedroom, 2 bath home, it was thoughtfully converted to include 2 additional bedrooms, creating extra room for guests, hobbies, office space, or simply more room to spread out and enjoy. Inside, you'll find granite countertops throughout, a kitchen with plenty of cabinet and counter space, and a walk in pantry ready to handle everyday living with ease. The oversized master suite offers a relaxing retreat with a large walk in closet and an ensuite bath featuring a separate soaking tub and shower. Step outside to a screened in back porch overlooking the fenced backyard, the perfect place to slow down, sip your morning coffee, or unwind after a long day. Major updates include a roof replaced in 2022 and an HVAC system that is only 2 years old, offering peace of mind for the next owners. This home offers more than just square footage. It offers comfort, flexibility, and the feeling of a place where life can truly happen.
