## Description

This beautifully maintained 3 bedroom, 1.5 bath home is perfectly situated on a quiet, dead-end street that offers privacy and minimal traffic. Step inside to discover a versatile entry space that can easily function as a home office, cozy sitting area, mudroom, or playroom. From there, enter into the eat-in kitchen that has been updated with stainless steel appliances and modern quartz countertops. The kitchen flows seamlessly into the spacious, light-filled living room. The living room features a wood burning fireplace and skylights that fill the room with light. This space is great for entertaining and can also be used as a multifunctional room. Also off the kitchen, sliding glass doors lead to a bright 3-season sunroom. This extension of the home is perfect for relaxing or hosting guests while entertaining in the backyard. Step outside into the fenced in backyard, you have a small patio for grilling and gathering. Upstairs, you'll find three bedrooms and the full bath. The upstairs has well maintained hardwood floors throughout. With its flexible layout, inviting living spaces, and peaceful setting, this home offers the perfect blend of comfort and functionality-ready for you to move right in!H&B due Thursday, May 7th at noon.
