Description

5 Bedroom home nestled at the end of a quiet private cul-de-sac in one of Edison's most desirable neighborhoods, served by highly sought-after J.P. Stevens High School, rated 9/10. Thoughtfully renovated 2568sqft with designer finishes and modern conveniences throughout, this home offers the perfect blend of luxury, comfort, and functionality, with private access to Roosevelt Park and beautiful nature views. A stunning entryway welcomes you with hand-painted wallpaper and beautifully refinished hardwood floors that seamlessly blend original 1960s charm with newly installed hardwoods throughout the main level. The open-concept layout was thoughtfully designed by removing the main load-bearing wall, creating a seamless flow for everyday living and entertaining. The gourmet kitchen is truly the centerpiece of the home, featuring custom cabinetry with exceptional storage, MSI quartz countertops, Elkay quartz sink, custom color-matched wallpaper, brass finishes, double ovens, an impressive 8-burner gas range with 48-inch high-power hood, dishwasher plus dual dish drawers, refrigerator drawers, and a custom flush toe kick design for effortless maintenance. The inviting living space is anchored by a beautifully refinished gas fireplace, while smart lighting and security systems add modern convenience throughout the home. Upstairs, the luxurious primary suite features a step-in closet and spa-inspired bath complete with marble-top vanity and elegant brushed gold finishes. All bathrooms throughout the home have been tastefully renovated. A dedicated home office with built-in his-and-hers desks and Murphy bed offers flexibility for work and guests alike.
