Description

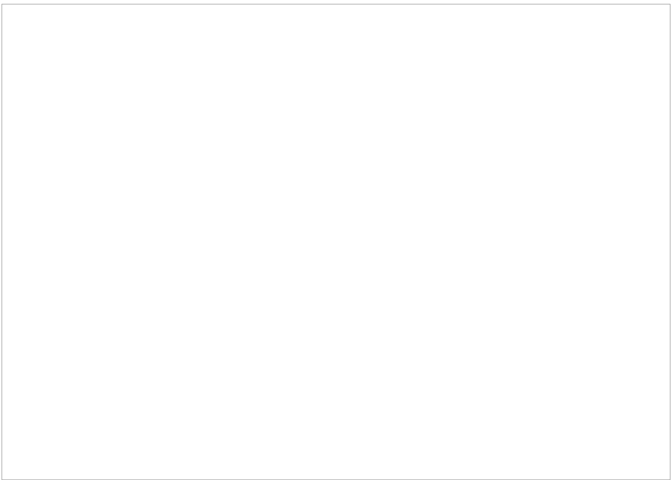

A must-see, beautifully designed custom Colonial with detailed millwork and gleaming hardwood floors throughout. The main level offers a formal living room/study, dining room, walk-in pantry, mudroom and half bath. The gourmet kitchen showcases high-end appliances and an 8ft island, flowing seamlessly into a sunlit breakfast area and family room with coffered ceilings, built-ins, and gas fireplace. Upstairs, the primary suite highlights a cathedral ceiling, walk-in closet, and en suite bath with double vanity, walk-in shower and tub. Four additional bedrooms, including two with private baths, a full bath and laundry room complete the upper level. The finished third level provides flexible bonus space and basement offers recreation area, gym, full bath, and access to the 3-car garage. Set on a beautifully landscaped corner lot, complete with covered pavilion and patio for year-round outdoor enjoyment. This is the home you've been looking for, offering everything you need and more!
