## Description

Beautiful two-story home built in 2006, offering approximately 2,088 sq ft of thoughtfully designed living space with an attractive Austin stone and brick exterior, located in the desirable Bridgewood Addition. This 3-bedroom home features ceramic tile flooring throughout the living areas, elegant crown molding, and a functional layout ideal for comfortable living. The primary bedroom is located on the first floor and features stylish double doors and an accessible ensuite bath with a large walk-in shower with handicap rails and a wheelchair-accessible double vanity. The kitchen is well appointed with granite countertops, stainless steel appliances, and a walk-in pantry, and opens to a separate dining area just off the kitchen, perfect for entertaining or everyday meals. A guest bathroom is conveniently located near the utility room. Upstairs offers two good-sized bedrooms, a full bathroom, and a spacious loft area that can be used as a second living room, game room, or home office. The garage features durable epoxy-coated floors, adding both style and functionality. Enjoy outdoor living with a large patio slab, covered patio, and barn-style storage shed. Ideally located near West Fort Hood and Fort Hood, Walmart, restaurants, and shopping, with easy access for commuting to Georgetown and the Austin area. This home combines comfort, accessibility, and convenience-an excellent opportunity in a prime location.
