Description

This is a Beautifully built Lennar (Lewis) home nestled in a lovely established neighborhood within the Award Winning 196 school system. Located just minutes away from shopping, dining and entertainment. The home is close to Ailesbury Park, with wonderful walking & biking trails. Please see the feature sheet in supplements for all of the awesome upgrades and updates for this amazing home. New roof in 2023 and siding in 2024 due to hail damage. This home is better than new construction with how meticulously it has been cared for and all of the customization. Faux wood blinds throughout, custom built in cabinets, custom stone surround fireplace, ship lap, office has built in cabinets and quartz top desk, newer upgraded carpet and high end padding, lovely deck, fence, gutters, lovely landscaping, all things that you Do Not get when building. Carpets professionally cleaned 5/26/26. There is approximately 560 unfinished sq ft in the basement being used as storage, so there is room to add finished sq. ft if preferred. We look forward to seeing you
