Description

Well-maintained 3-bedroom, 1-bath ranch set on a spacious half-acre lot. This home features an updated kitchen with modern cabinetry, countertops, and stainless steel appliances, along with durable flooring throughout. The bright and functional layout offers comfortable living with ample natural light. Exterior highlights include a large yard with room for outdoor entertaining, recreation, or storage for a boat or RV. Private driveway provides convenient off-street parking. Additional features include an unfinished basement offering excellent storage or future finishing potential. Conveniently located near local parks, beaches, and outdoor recreation. A great opportunity for homeowners or investors alike.
