Description

Welcome to this light-filled, Northeast-facing home, just minutes to award-winning schools and easy access to both I-580 and I-680. Thoughtfully designed for flexibility and comfort, the home features a primary bedroom with a full bath on the main level, complete with a spacious walk-in closet and sliding door opening to the backyard. A convenient additional half bath on the first floor. Upstairs offers three additional bedrooms, including one oversized room ideal as a second primary, plus a large hall bathroom with separate shower and jacuzzi tub. The kitchen is the heart of the home, boasting dual peninsulas with bar seating on both sides, a gas range, new refrigerator, and warm maple cabinetry. It opens seamlessly to the family room, with an adjacent eating area. Abundant natural light throughout the home is truly exceptional! Additional highlights include an inside laundry room with new washer & dryer, and a garage with extensive storage, plus a loft, easily accessed by stairs. Outside, enjoy a large side yard with potential RV access, an in-ground pool with separate hot tub, and a beautiful deck with terraced planter boxes. Tall fencing provides privacy, creating a backyard retreat. With newer carpet and fresh interior paint, this home shines and is truly move-in ready!
