Description

Multigenerational living, ADU Experience, and lifestyle features - this house has it all! The perfect blend of country living and modern comfort with this beautifully updated rancher on approx. 10 acres in North Spokane, located within the desirable Mead School District. The property features fenced pasture, a barn, and a spacious 30x50 insulated shop complete with an attached apartment—ideal for guests, multigenerational living, or additional income potential. Inside the home, you'll find thoughtful updates throughout, including a remodeled kitchen and primary suite, newer flooring, and fresh interior and exterior paint. Step outside to the expansive Trex deck, where you can relax and take in stunning views of Mount Spokane and the surrounding landscape. With room for animals, hobbies, and outdoor living, this property offers the space and flexibility so many buyers are looking for while still being just minutes from North Spokane amenities.
