Description

Rare opportunity in Covington! This 8.6-acre fully fenced and cross-fenced property offers level pasture, privacy, flexibility, and outstanding income potential. A long private driveway, recently paved with asphalt, creates an impressive entrance and leads you across peaceful Jenkins Creek to a comfortable 1,950 sq. ft. home featuring 3 bedrooms, 2 full baths, and a relaxing sauna. A major highlight is the impressive 4,000 sq. ft. shop, offering parking for 10+ vehicles, abundant storage, large office space, a spacious bedroom, and a full bathroom. This versatile setup creates excellent possibilities for a home-based business, guest quarters, multi-generational living, or potential rental income. With usable acreage, pastureland, and a highly functional layout, this property delivers space, privacy, and opportunity all in one.
