## Description

Discover the perfect blend of modern living and quiet countryside charm in this beautifully maintained townhome in South Weber. Built in 2019 and kept in meticulous condition, this 3-bedroom, 2.5-bath home offers the fresh feel of new construction without the wait. The spacious layout includes an oversized primary suite with a relaxing soaker tub and shower combo, while the kitchen features white Craftsman cabinets, stainless steel appliances, and modern black metal railing accents. A standout feature is the newly installed vinyl fenced backyard, one of the few private outdoor spaces in the community, offering added privacy and an ideal area for pets, small children, entertaining, or extra peace of mind. Enjoy no backyard neighbors, direct access to a walking path, and scenic mountain views. With a 1-car garage and room for two additional vehicles in the driveway, this home offers easy, low-maintenance living. Conveniently located near the freeway, Hill Air Force Base, and Riverdale shopping and dining, this quiet, pet-friendly community delivers both comfort and accessibility.
