The home has a true two-car garage with overhead shelving for storage, and a family room on the main level. Upstairs on the second level, the open concept kitchen layout includes stainless steel appliances, luxury vinyl plank flooring, granite counters, a bright dining nook, and a spacious great room with views of Ben Lomond and the park below. There is also a full laundry room with cabinetry, private bedroom, and a half bath for guests. An upgraded feature that makes entertaining fun is the Bluetooth sound system on both the first and second floors. Additionally, on the third floor are three more bedrooms and two full bathrooms with tile floors, including the primary suite with a private bath and walk-in closet. If you liked the beautiful views of the Wasatch Mountains on the second level, you'll really enjoy them from the front bedroom and stairwell on the third!
