Description

Located in the Shiloh Hills neighborhood, this spacious 5 bedroom, 2 bathroom 4-level home offers over 2,000 square feet of versatile living space. Step inside to a welcoming great room that seamlessly connects the living, dining, and kitchen areas, featuring engineered hardwood floors, abundant natural light, and a cozy gas fireplace. Upstairs, the primary bedroom includes a large closet and private access to the full bathroom, along with a second generously sized bedroom. Just a few steps down from the great room, enjoy a comfortable family room perfect for relaxing or entertaining. This level also includes a third bedroom and a second full bathroom with convenient laundry. The lower level provides two additional non-egress bedrooms, offering flexible options for guests, hobbies, or office space. Outside, the expansive backyard is a standout feature with a patio ideal for gatherings, plus a fenced garden area complete with a storage shed. This home combines space, functionality, and is in a great location!
