Description

Located on a large cul-de-sac lot in sought-after Knightsbridge, this spacious 5-bedroom, 2.5-bath brick home offers an ideal blend of functional living space and thoughtful updates throughout. All five bedrooms are located upstairs and feature generous sizing, offering flexibility for larger households, guest space, hobbies, or additional work-from-home options. Inside, you'll find multiple gathering spaces including a formal dining room, dedicated office, main living room, and additional bonus living area, giving flexibility for entertaining, working from home, hobbies, or play space. Under the current ownership, the home has undergone extensive improvements including updated lighting and fans, and a finished garage (a rare find in the neighborhood) featuring extensive overhead storage, a new garage door and new hot water heater. Hardwood flooring was added to the kitchen, laundry, and living room to seamlessly match the original foyer and dining room hardwoods, which were refinished in 2024. The kitchen has been beautifully updated with quartz countertops, stone backsplash, new sink, faucet, disposal, dishwasher, and a new picture window over the sink. A new gas stove, hood, and vent were added in 2025, including a newly run gas line. Cabinets were repositioned, freshly painted, and completed with updated hardware for a fresh, modern look. The main-level half bath features updated hardwood flooring, toilet, mirror, and lighting. Upstairs, the secondary bath has updated counters, sinks, faucets, and shower fixtures. Outside, the gorgeous fenced backyard has been graded, reseeded, and replanted, creating exceptional curb appeal and plenty of room to relax, entertain, or play. Enjoy outdoor living year-round with both a screened porch and an extended open-air porch, offering multiple spaces to gather and unwind. Knightsbridge offers amenities including a community pool, clubhouse, tennis/pickleball courts, sidewalks, and recreation areas, all within an established Fort Mill neighborhood known for mature trees and convenient access to top-rated schools, shopping, dining, and Charlotte commuting routes. A rare opportunity to own a spacious, updated home on a cul-de-sac lot in one of the area's most desirable communities.
