Description

Established community and private backyard setting. From the moment you walk up the sidewalk you feel HOME. Lush landscape, solid wood floors, fresh paint, cathedral ceiling, and a gas log fireplace, create a warm and inviting atmosphere. The kitchen offers granite countertops, induction cooking, a convection oven, and brand new pantry. Spacious 3-car garage - storage is abundant, offering ample space for vehicles, tools, and outdoor gear. Don't miss the open and private feel of the backyard space with NO homes behind you. Community amenities such as a pool, clubhouse, playgrounds, basketball courts, and nearby trails offer endless opportunities for outdoor recreation and socializing with neighbors. Conveniently located you'll find yourself just moments away from shopping, dining, entertainment, and excellent schools. Experience the perfect blend of comfort and community living.
